Dear Bob,

The Maine Forest Service received your NRPA Permit by Rule application on January 5, 2015 for the construction of a temporary crossing across an unnamed brook on land you manage in Baileyville, Maine. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of PBR 15001 by the Maine Forest Service finds that your project as outlined in the application will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the temporary crossing. You may proceed with the project as it has been described in the application PBR 15001.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards: <http://www.maine.gov/sos/cec/rules/06/096/096c305.doc> .

Please contact me if you have any questions.

Sincerely,

James Ecker
